

Cortland Athletic Booster Club Membership Information

The mission of the CHS Athletic Booster Club is to encourage and support the interscholastic athletic programs of the Cortland Junior/Senior High School as well as the children enrolled in these programs.

The CHS Athletic Booster Club gives monetary support to the school's athletic programs through funds raised by running the concession stand with an increased schedule, holding 50/50 raffles at various sporting events, the Booster Club Banner Advertising campaign, selling logoed promotional items such as blankets or shirts, and MEMBERSHIP revenue. We would also like to bring back one of our largest fund raisers - Tray Night if there are volunteers willing to facilitate this great event!

Membership is open to all parents, friends, teachers, coaches and administrators who desire to participate in encouraging and supporting these athletic activities.

Athletic Booster Club meetings are held on the second Wednesday of each month at 6:30 pm in room 78 at CHS. Please join us as your schedule permits...input and suggestions are always welcome! *Membership is only \$5.00 per family.*

Please return the form via the address listed below or you can drop it off at the CHS Main Office - 8 Valley View Drive.

Show your support for CHS Athletics by joining TODAY!

UPCOMING MEETING DATE: November 9th
