Attached for your review and approval are the UPK RFPs for the 2016-2017 academic year.

Universal Pre-kindergarten is a NYS grant-funded program established to provide four-year-old children with universal opportunities to access pre-kindergarten programs. Upon BOE approval, and pending UPK grant allocation, the district will fund up to the maximum number of eligible student placements requested in each RFP.

Thank you for your review of these applications and your continual support of the UPK program; please contact me if you have questions or would like additional information.

Re: Approval for Planning of Extended Field Trip: European trip to France and Spain,
April 13 – 22, 2017

The Foreign Language Department (Languages Other Than English- LOTE) requests approval from the Board of Education to proceed with planning an extended field trip to France and Spain to take place in April, 2017.

The Department Chair, Linda Slade, and I have closely reviewed all requirements and, upon approval from the BOE, will collaboratively monitor the planning process as trip preparations continue.

The enclosed packet of information evidences that the organizers have thoughtfully prepared to meet the requirements designated by the Board of Education.

Thank you for your support of the Language program and for your consideration of approval of this cultural experience for our students.

As always, please contact me if I can provide further clarification or assistance as you consider this request.

SUBJECT: FUND RAISING BY STUDENTS

Fund raising projects in which students sell merchandise, provide services, or in other ways solicit money for school activities may be sponsored by school organizations with the express approval of the Building Principal. Any such plan shall have a clearly defined purpose and, in general, shall contribute to the educational experience of students and shall not conflict with instructional programs or state mandates. Fund raising activities away from school property shall be held to a minimum. All participation shall be voluntary.

Door to door sales projects undertaken by any organization using the Cortland Enlarged City School District name shall require previous approval of the ~~Board of Education~~ *building administrator*. Profits shall be used to enhance school programs by providing money for expenditures not normally funded by the District.

Employees are cautioned against giving the impression to students that the purpose of selling items (~~or paying a fee~~) or paying a fee is to defray a portion of the District's educational program. At no time should a student's participation in an educational activity include such sales or fees. In addition, it is imperative that employees not deposit the proceeds of any legitimate sales activity in their own personal accounts. ~~These activities may jeopardize a student's right to participate in the educational program on a tuition and/or fee-free basis. Further, employees engaged in such activities may be held personally liable.~~ *am*
