# Dignity for All Students Act

## What is the Intent of The Dignity Act?

The goal of The Dignity Act is to create a safe and supportive school climate where students can learn and focus, rather than fear being discriminated against and/or verbally and/or physically harassed.

## What does The Dignity Act say?

No student shall be subjected to harassment or discrimination by employees or students on school property or at a school function; nor shall any student be subjected to discrimination based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender (including gender identity or expression), or sex.

## The Dignity for All Students Act Effective July 1, 2012 (Chapter 482 Laws of 2010)

**Curriculum:** Curriculum must include instruction that supports the development of a school environment free of discrimination and harassment

**Code of Conduct:** The Code of Conduct must be amended to include provisions prohibiting discrimination and harassment against any student by employees or students, and provisions for responding to such acts.

**Reporting:** Material incidents of discrimination and/or harassment on school grounds or at a school function must be reported to NYSED annually.

**Dignity Act Coordinator:** At least one staff member **at every school** must be designated and trained to handle human relations in the areas of: race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, and sex.

**Employee Training:** Employees must receive annual training to raise awareness and sensitivity to potential acts of discrimination and/or harassment and to enable employees to prevent and respond to incidents of discrimination and harassment.

## Amendment to the Dignity Act, Effective July 1, 2013 (Chapter 102 Laws of 2012)

*The following provisions are in addition to the original Dignity Act.*

Includes electronic communication which:

- Has or would have the effect of unreasonably and substantially interfering with a student's educational performance, opportunities or benefits, or mental, emotional or physical well being.
- Reasonably causes or would reasonably be expected to cause a student to fear for his or her physical safety.
- Reasonably causes or would reasonably be expected to cause physical injury or emotional harm to a student
- Occurs off school property and creates or would foreseeably create a risk of substantial disruption within the school environment, where it is foreseeable that the conduct, threats, intimidation, or abuse might reach school property.

*cont. on reverse*

## Amendment to the Dignity Act cont.

**Investigation of Reports:** The principal, superintendent, or designee must lead or supervise the prompt and thorough investigation of reports.

**Employee Reporting:** School employees who witness or receive a report of harassment, bullying, or discrimination must **notify** the principal, superintendent or designee **within one school day** after witnessing the incident or receiving the report, and must file a **written report within two school days** thereafter.

**Notification of Law Enforcement:** The Principal, Superintendent or designee will be required to notify appropriate local law enforcement when they believe that any harassment, bullying or discrimination constitutes criminal conduct.
