Good afternoon. This is Superintendent Michael Hoose. Due to the information shared by the Governor earlier today, we are changing the instructional materials pickup day from Monday to tomorrow, Saturday, March 21st.

Pickup of instructional materials will occur from 8 a.m. until 3 p.m. Materials will be distributed from the bus loops at Barry, Smith, Randall, and the Junior Senior High School.

Upon arrival, please remain in your car. A staff member will check in with you and ask the student's name. A staff member will bring the materials to you. We appreciate your patience if the lines are long. Materials have been prepared for all students so there is no reason to rush or get there early. We have many staff volunteers on hand to make the pickup as efficient as possible.

If you requested a computer device by noon, Friday, we will have it ready for you at pickup Saturday. If you requested one later than noon today we may not be ready for you tomorrow and we'll determine another way to get it to you.

Food distribution will not occur Saturday; it will continue as previously communicated on Monday.

I would like to thank you once again for your anticipated patience and cooperation as we work through this unprecedented situation.

Sincerely,

Michael J. Hoose, Superintendent
