# **PROPOSED BUDGET ON BALLOT FOR TUESDAY, MAY 19 VOTE**

The proposed 2009-2010 school budget reflects the priorities and values of the public, including a zero increase in expenditures. This budget adheres to some powerful and difficult principles: (1) reduce spending, (2) maintain neighborhood school structure, (3) maintain class sizes and co-curricular activities, (4) reduce administrative costs and (5) use reserve monies, in a thoughtful and careful manner.

Maintaining these principles means that there must be a reduction in spending from the "rollover" budget of over one million dollars, requiring cuts from a number of budget lines. Most significantly, we have tightened up nearly every budget code, asking folks to spend just a little less - even if it is just \$50. We have also chosen not to backfill several positions that have been vacated - most notably, the Director of Curriculum and Instruction and two literacy coaching positions that provide professional development to elementary and junior high staff. Additionally, we are reducing several other positions: the newsletter and public relations position, a part-time prevention counselor, two library aide positions, and multiple part-time positions that provide copying services to adults.

The passage of the state budget and the Federal stimulus package are both good things for the district. However, we must resist the urge to treat the passage of these bills as license to continue to do business as we have in the past. It is important to remember that the Federal stimulus package is a two-year funding stream and it is accounting for nearly \$2,000,000 of our projected aid, so we must use these funds as "breathing space" to allow us to make basic changes/reductions.

While reducing positions is never easy, we need to be thinking about putting the school district on solid financial footing for the long run. When the stimulus package runs out in two years, we need to have reduced our expenses substantially. It would be foolhardy to assume that the stock market and New York State's finances will have recovered enough to alleviate any hardship associated with the expiration of the stabilization funds from the Federal Government.

This budget represents a good first step towards reducing long term expenses. The difficulty of this proposition is profound given our basic mission - helping <u>all</u> children meet New York State Standards and achieve to the extent of their abilities. This budget reduces expenses while protecting the instructional aspects of our programming. We know that we are losing valuable aspects of our educational culture and we are not happy that we must make these changes. However, we feel that this budget provides good stewardship for student achievement *and* district finances over the long term.

The annual budget vote is set for Tuesday, May 19. Polls will be open from 12:00 p.m. to 9:00 p.m. As is published in other district press releases and communications, polling places are located at The Kaufman Center, Cortlandville Town Hall and Virgil Elementary School. Please exercise your right to vote on May 19.

#### ESTIMATED TAX DATA BASED UPON BUDGET OF \$41,372,972 AND TAX LEVY OF \$13,824,000

Real Property Tax - The projected 2009-10 Real Property Tax of \$13,824,000 is an increase of **ZERO** over the 2008-09 Real Property Tax of \$13,824,000. This is an increase of 0%.

More than anything voters want to know what the school budget will mean in terms of taxes. Estimating the school tax rate this early is very difficult. Neither final assessments nor equalization rates are available. However, based on what we do know, the following estimate is a reasonably accurate projection of what the tax rates will be for 2009-10.

Estimated 2009-10 tax rates are based on estimated assessment and equalization rates as provided by various assessing districts and the New York State Board of Equalization and Assessment. Final property assessed values for each taxing jurisdiction and final equalization rates, available in July, will cause changes in the actual 2009-10 tax rates. The information on this page represents our best estimate at this time.

#### CORTLAND ENLARGED CITY SCHOOL DISTRICT

#### SALARY DISCLOSURE DOCUMENT

Chapter 474 of the Laws of 1996 included a provision requiring the publication of the Superintendent and certain other administrators' salaries as part of the annual school district budget process. This information is being appended to the proposed 2009-10 budget document in satisfaction of this requirement.

#### **DISTRICT PROFILE**

The Superintendent of Schools is the Chief Executive Officer of the Cortland Enlarged City School District. In short, the Superintendent is the CEO of a business with a proposed budget of \$41,372,972 serving over 2,800 students with approximately 480 employees in 6 school buildings.

#### SUPERINTENDENT'S QUALIFICATIONS

Pursuant to Education Law, Superintendents must hold a certificate from the Commissioner of Education certifying their qualifications including a minimum of 60 credit hours of post-graduate work and three years of teaching experience. Mr. Laurence T. Spring, Superintendent of the Cortland Enlarged City School District, holds a Bachelor's degree from the State University at Geneseo, a Master's degree from the University of Rochester, is a doctoral candidate at Vanderbilt University, and has been certified by the Commissioner of Education to be a Superintendent of Schools. Prior to coming to Cortland, Mr. Spring spent time as a classroom teacher, an Assistant Principal, a Special Education Director, a High School Principal and an Assistant Superintendent for Instruction.

#### SUPERINTENDENT'S RESPONSIBILITIES

#### **Statutory Responsibilities**

1711. Appointment of the Superintendent of Schools. Subdivision 5:

The Education Law charges the Superintendent with the following duties:

- a) To be the Chief Executive Officer of the school district and the educational system, and to have the right to speak on all matters before the Board, but not to vote.
- b) To enforce all provisions of law and all rules and regulations relating to the management of the school and other education social and recreational activities under the direction of the Board of Education.
- c) To prepare the content of each course of study authorized by the Board of Education.
- d) To recommend suitable lists of textbooks to be used in the schools.
- e) To have supervision and direction of associates, assistant superintendents, directors, supervisors, principals, teachers, lecturers, medical inspectors, nurses, auditors, attendance officers, janitors and other persons employed in the management of the schools or the other educational activities of the district authorized by (Education Law) and under the direction and management of the Board of Education.

~3012 The Superintendent has the power to recommend teachers and supervisors to the Board for tenure.

The Superintendency does not fit the traditional work week. In addition to office responsibilities, the Superintendent is expected to attend every board meeting, parent and teacher meetings, and some shared decision making committee meetings which are often held in the evenings as well as attend school athletic events. A 60 to 70 hour work week should not be considered unusual.

#### SUPERINTENDENT'S COMPENSATION

The Superintendent's compensation is broken into 3 parts: salary, benefits and other considerations.

\$151,418	Annual Salary (est.)	2009-10 Salary for the Superintendent	
\$53,873	Annualized Cost of Benefits (est.)	The Superintendent enjoys the same ancillary benefits provided to all	
		employees. Many of these benefits such as employer contribution to	
		Social Security, Medicaid and retirement are required by law. Additional	
		benefits include family health insurance, family dental insurance and a	
		457b contribution.	

#### OTHER ADMINISTRATIVE COMPENSATION

\$119,682Annual Salary (est.)2009-10 Salary for the Assistant Superintendent for Pupil & Personnel<br/>Services

\$42,936 Annualized Cost of Benefits (est.)
