August 2012

The transportation office has prepared the 2012-13 bus routes and they are found on the pages that follow. You will also receive a letter outlining specific student bus information before the new school year begins. Please call or e-mail the transportation office if you do not receive this information by September 4, 2012.

Several changes have been made to "old" bus routes that you should be aware of:

- 1) Please check all routes for your stop as some have been shifted between routes for efficiency and safety reasons.*
- 2) High School Route #1 is now **Route #10**.*
- 3) There are no "A" and "B" runs for this year at the Junior/Senior high School: All students will arrive and leave together on a single trip route to/from school.*
- 4) Displaced elementary school students that are eligible for transportation will not have to meet a shuttle bus to ride to their school of attendance; they will ride a route that has been altered to include them. (This includes students that reside in the Virgil area who will come to the city.)*

GENERAL NOTE FOR BUS STOP TIMES: *Please have students ready to board the bus 10 minutes prior to the arrival time listed. Routes usually take a full week to be adjusted and to establish a steady schedule. Afternoon drop-off times will vary, especially in the first few days of the new school year.*

IMPORTANT NOTE: *All babysitter/day care/special requests received after August 1, 2012 will take up to two weeks to process. You will be notified when the transportation may begin.*

Best wishes to all for an outstanding and successful school year!
