Re: Flex Spending Account 2022

Flexible spending for healthcare and dependent care runs each calendar year from January 1 – December 31, with open enrollment occurring in the fall. A Flex Spending Account (FSA) is a pre-tax benefit account used to pay for eligible medical, dental, or vision care expenses not covered by your insurance plan, including co-pays, meeting deductibles (the District’s health insurance plan has an annual deductible), and/or qualifying dependent care expenses. Self-funded via payroll deductions, there is no minimum contribution amount.

The FSA administrator for the Cortland Enlarged City School District is Pro-Flex Administrators LLC. The District’s plan includes a “Benny” debit card allowing participants to pay directly from their flex account for most health care services instead of paying out of pocket and seeking reimbursement. Current participants will continue to use their existing Benny card until the expiration date noted on the card. New enrollees will receive two Pro-Flex “Benny” debit cards in the mail by December 31, pre-loaded with their total 2022 medical election amount. Additional cards may be sent upon request.

Participants may contribute up to a maximum of $2,750 to the Medical FSA, and up to $5,000 to the Dependent Care FSA. Payroll deductions begin each January for the new plan year. The District has selected a plan allowing carry over up to $550 in remaining medical expense account balances when participants re-enroll from one plan year to the next. A planning worksheet is available to assist in estimating upcoming expenses for the new plan year.

*Reminder to current participants – any outstanding manual claims from your 2021 plan year must be postmarked or faxed to Pro-Flex no later than March 1, 2022 in order to be eligible for reimbursement. As always, please retain copies of all claim submission information.

If you would like to participate in this benefit for the 2022 calendar year, completed applications must be returned to Jen Storey in the Business Office no later than November 15, 2021. They may be emailed to payroll@cortlandschools.org or interofficed to Jen Storey. An enrollment form must be filled out even if you were enrolled for the 2021 calendar year and are maintaining the same election amounts.

If you have any questions, please email payroll@cortlandschools.org or call Jen Storey at extension 2244. You may also contact Pro-Flex Administrators directly at 716-633-2073.
