

The Skills strand of the Core Knowledge Language Arts program teaches students the decoding skills needed for (future) independent reading. Each Skills lesson begins with a warm-up, reviewing previously taught content in reading, writing, and/or grammar. All reading times—denoted below as demonstration stories or whole group, small group, or partner reading—consist of a story preview, presentation, and discussion. For a unit-by-unit alignment of Skills learning objectives to the Common Core State Standards, please visit <http://www.engageny.org/resource/kindergarten-english-language-arts>.
