

## To The Parents of Advanced 8<sup>th</sup> Grade Students

Student Name \_\_\_\_\_

Teacher      Henry

Period        11

Your child is in the accelerated program at Cortland Junior Senior High School. The course they will be taking this year is Advanced Algebra 1R.

Continuation in the accelerated program at this level is totally ***performance based*** as stated in Prerequisites and Policies for Accelerated Mathematics Classes. The accelerated students are accountable for their progress and performance at two "checkpoints" during the school year as indicated below.

### Checkpoint #1: End of 1st Quarter of the School Year

- a.      Quarter grades of less than 80: The student will be transferred to a regular 8th grade math class section.
- b.      Quarter grade of 80-84: The student will be under "Academic Probation" for the duration of the first semester.

### Checkpoint #2: End of 1st Semester (end of 2nd quarter) of the School Year

- a.      The cumulative first semester course average must be 85 or higher to continue in the Accelerated program.
